July 2026

CIL MONEY EXPENDITURE

The Parish Council is utilising some of the CIL monies to update its' "digital infrastructure". To this end you will notice that all Councillors have their own parish council email address, which should be used to contact them. In addition, the Parish Council is currently in the process of developing a new website, which should be easier to navigate and ensure compliance with all the latest legislation surrounding Assertion 10. The old one will continue to be available to check on forthcoming meetings, minutes, planning updates, the latest edition of Hannington Life together with the 2025/26 Accounts & Annual Report. The Parish Council will let the village know when the new site is available and there will be an automatic redirect from the old to the new site address.

VILLAGE PUBLIC FOOTPATHS

The Parish Council has been asked by some villagers if we could remind those who have public rights of way running through their properties, if they could ensure that the minimum widths are kept clear of vegetation to enable them to walk safely and enjoy the countryside over the summer holidays. To those who already do so – thank you!

TOTE

Congratulations to July's Tote winner No 52 – P Twigg.

THURSDAY 16 JULY – INTERRUPTION TO ELECTRICITY SUPPLY

Just as a reminder, you will all no doubt have received letters from National Grid advising of a temporary interruption to the village electricity supply on Thursday 16 July between 8am and 9am and again between 2pm and 3.30pm to install new High Voltage substation equipment.

ALLOTMENT VACANCIES

There are currently six allotment plots available. The price is £20 per year for Hannington village residents or £25 for those outside of the village, subject to a refundable £50 deposit.

FIX MY STREET (FORMALLY STREET DOCTOR)

All villagers are reminded that any problems with pot holes, overgrown verges, restricted visibility at road junctions, empty salt bin etc can be reported directly to Fix My Street – WNC would prefer contact to be made online and have advised that "If the problem is categorised as an emergency then the phone number will appear for people to ring instead." **In addition, any problems with overgrown public footpaths etc should be reported in the same manner.** It is also helpful to take a photograph of the problem as this can be uploaded when reporting the problem. Any repairs and

all practical work required must be reported via [www. Fixmystreet.northamptonshire.gov.uk](http://www.Fixmystreet.northamptonshire.gov.uk) – this can be done anonymously if you prefer.
